

Mapping Events with Wheelmap.org

Your company...

...wants to demonstrate social responsibility, promote engagement in the field of inclusion, and organize an impactful event with (international) teams?

Already carried out by: **Salesforce, Beiersdorf, Booking.com, Apple, Meininger Hotels, RedHat, Astra Zeneca, Pfizer, Appfire** uvm.

Our offer: Mapping-Events with Wheelmap.org!

Wheelmap.org is the largest online map for wheelchair-accessible places. Anyone can rate the wheelchair accessibility of cafés, shops, restrooms, and other locations with just a few clicks – worldwide! Every additional piece of information is an immediate real help for users.

Mapathon mit Wheelmap.org

- ✓ Easy introduction to the topics of accessibility and inclusion
- ✓ Participation possible digitally and worldwide for international teams
- ✓ Team building, spending time outdoors, gaining new perspectives
- ✓ Short-term commitment: can be completed in 4 hours
- ✓ Direct, sustainable impact for wheelchair users
- ✓ GDPR-compliant: no registration with us required
